BE the Difference Locally

Women of Worth--WOW

Women of Worth helps women and their children in victims of domestic violence and human trafficking. We offer a holistic approach that encompasses emotional wellness, physical resilience, financial independence, and spiritual health leading women to healing and self-sufficiency.

Our Mission

Woman of Worth exists to provide emergency assistance to women and their children who are victims of domestic violence and human trafficking. We offer programs to help women rebuild their lives, restore their dignity, and recover their self-sufficiency, helping women heal.

Our Vision

Women of Worth's vision is to reduce the impact of domestic violence and human trafficking of women and their children.

Our Values

We value the Lord as the ultimate source for the rebuilding of lives.

We value the worth of surviving women and their children regardless of their past

We value collaboration and partnerships with other agencies.

We value love as the most powerful gift given to women and their children who have been victims of domestic violence and human trafficking.

We value every person that volunteers their time, treasure and talents to WoW's commitment of helping women and their children.

Services Currently offered:

- Emergency resources
- Advocacy
- Emotional Wellness

BE the Difference Abroad

Splashed in the Spirit goes to Kenya with JARON Ministries International
“Equipping Leaders For Effective Christian Service”
H.E.A.R.T.--Health Education Africa Resource Team (africaheart.com)

THE MISSION

Splashed in the Spirit Founder, Kimala DeSena and her mission team go to places where they are asked to lead women's conferences, teachings and workshops for the women and children in foreign lands, encouraging and empowering those to have hope in a fallen world. They work directly with NGOs and their staff to equip them with curriculum to then be shared internally and throughout their communities. This year in August 2025, they will head to the country of Kenya in Africa.

ONGOING ISSUES

In many countries, women and children are living oppressed. Searching for answers, they desire leaders, teachers, chaplains and missionaries to travel to their lands, sharing the Good News and offering new ways to flourish and thrive in their daily living. They need hope. They need to know they matter.

WHAT WILL WE DO IN KENYA?

Through JARON Ministries International, Kimala and her team will organize and lead a mission team to work with the children through the schools and bring much needed school supplies, work with the Moms with trainings, encouragement, discipleship, etc. We will visit the WEEP centers, do home visits in the slums and deliver food. We will accompany the building of a mud home for a mother and children. Kimala will lead an on-sight staff training in Nairobi headquarters, provide meals and one day women's workshops in various districts throughout Kenya. Kimala's book *He's WILD About You*, translated in Swahili, will be distributed throughout the centers. Stephen will teach boys & young men at Next Gen Centers and spearhead a male bible study and fellowship. Team will lead ongoing bible study devotionals to families and children.

WHERE WILL YOUR DONATION GO TOWARDS?

Your donations will help provide support for team to feed women and children in the slums, orchestrate workshops, teaching in schools and centers, team meals, housing, printing all materials, gathering staff, translators and volunteers, travel arrangements. They will work closely with Africa H.E.A.R.T. headquartered in Nairobi, opportunity to teach and host workshops that aid directly in the personal/professional development of women from severe hardship and HIV. Kimala and her team will serve at the schools throughout Kenya. HEART operates in 7 locations throughout Kenya focusing on 4 main pillars: Health & Wellness, Education, Economic Empowerment, and Discipleship. Through its collaboration with local and global partner organizations, businesses, and ministries, they extend support to women and youth across all locations. Their WEEP Centers exist to inspire hope and empower dreams for women through skills training and personal growth development to live abundant lives, and to be resilient in the face of obstacles--to survive and thrive!

Let's Help JARON Ministries and Splashed in the Spirit send their team to Kenya to be with the women longing for this kind of teaching and encouragement.
